Market Report for Thursday 22nd July 2010

The demand for prime cattle nationally still remains variable as the school holidays begin and the hot weather continues. However the total cattle average price for this Thursday of 141.73ppk is still above the local market competition (Melton Mowbray 129.30ppk, York 132.06ppk, Newark 139.80ppk, FWi 2010.)

Overall this week at Louth there was still a great demand for well finished heifers, steers and young bulls ranging from 500 – 650kgs. Please more cattle next week as buyers still have regular local orders to satisfy.

CLEAN CATTLE – Sale Commencing 10.45am

The top price per kilogram in the fat cattle ring was for a well finished lim x heifer from TJ Denby of Withern weighing 584kgs and selling for 170.5ppk (£995) to Mellor's Farmers and Butchers of Horncastle. Another two heifers from the same home topped at 158.5ppk (£1,044) for a 659kg lim x. The top price steer this week was a lim x from RA Hall of Old Leake weighing 596kgs and selling for 159.5ppk to A Wright & Son of Boston.

YOUNG BULLS

A reduced entry of young bulls forward this week with more still required. The top price per kilogram was a BB x bull from F Wallis & Sons of Biscathorpe weighing 599kgs and selling for 168.5ppk (£1,009) to L Brown and Son of Lincoln.

Please note the next sale of store cattle is next Thursday 29th July with two cows and calves and several store cattle already entered. If you would like to enter your Fat, Stores, OTM cows or cows and calves please phone David Williams on 01507 350504 or Will Tyson on 01507 350517.
